

COVID-19 Precautions

Thank you for your interest in SBCA! We take the health and safety of our students, families, teachers, and staff seriously and are committed to maintaining a healthy, safe environment conducive to learning.

As of August 2021, we continue to implement the following procedures:

- Professional-grade UVC air purifiers in each classroom.
- Enhanced cleaning procedures throughout the school day, at the end of each school day, and weekly by both teachers, staff, and professional sanitation services.
- Enhanced hygiene procedures (such as increased hand-washing, sanitizing, individual snacks, thorough cleaning of shared toys/supplies, etc.).
- Students, families, teachers, & staff complete daily health screenings prior to school.
- Only students, teachers, and staff are permitted inside classrooms during school hours. Building access is limited during school day.
- Teachers & staff are encouraged to wear masks when social distancing is not possible.
- While not required, children age 2 and up are welcome to wear masks.
- SBCA follows Bright From the Start requirements concerning reporting possible direct exposure to any contagious illness.
